DAILY PUBLIC LEDGER—1918.

MAYSVILLE, KENTUCKY, TUESDAY, SEPTEMBER 10, 1918.

ONE COPY—ONE CENT.

FISCAL COURT WILL REQUIRE BIDS ON ALL COUNTY WORK

County Commissioners Require That Bids Be Asked For All Work Which Will Cost the County More Than Five Dollars.

The regular monthly meeting of the County Commissioners was held today at the Court House and all of the commissioners were present together with County Judge Purnell.

Besides the allowing of the usual bids against the county, about the most important matter of business transacted by the Commissioners was the issuance of an order that in the purchasing of all supplies for the county officers bids must be asked for all jobs which will cost more than five dollars. The court went so far as to say that they would refuse to pay any bills for amounts of more than five dollars unless the accounts were accompanied by bids.

The court also went on record that no bill for advertising shall be paid by the court which has been ordered by any county official unless it has the approval of the Fiscal Court.

The commissioners appropriated the sum of \$300 to the Kentucky Children's Home Society and \$500 to the Mason County Health League. The former appropriation is to be paid on order of the County Judge and the latter is to be paid to Mr. W. W. Ball, Jr., treasurer of the Health League.

It was also ordered by the Commissioners that no election officers be paid for their services unless they return the ballot box keys and thus save the county much needless expense.

WILL WED WEDNESDAY

Marriage license was granted Tuesday afternoon by County Clerk Owens to Mr. Patrick H. Slattery, aged 33, of Cynthiana and Miss Katherine Tierney, aged 29, of this city. The couple will be married Wednesday morning at St. Patrick's church by Rev. P. M. Jones.

AID SOCIETY

The Aid Society of the Christian Church will meet Wednesday afternoon at 2:30 o'clock with Mrs. Thomas Dickson, 15 West Fourth street. A full attendance is desired.

NOTICE

Parties who purchased First Liberty 4% (converted) and Second Liberty 4% Bonds from us and wishing to convert into 4 1/4% Bonds will please deposit same with us.

MAKES BUTTER IN 8 MINUTES

Turns Easy, Cleans Easy—Makes More—Better Butter.

8 SIZES
OF
GLASS
AND
METAL

The DAZEY cannot be compared with any other churn on the market because there is such an immense difference. The DAZEY is not an imitation; it is a wholly new departure in churn making. It is better, just think of the difference between this churn and the old style dash, or wooden churns that take at least one-half hour to churn, sometimes two hours. Surely you time it worth 15¢ per hour. At this rate the DAZEY would save you \$19.50 every year as many times its cost.

THE DAZEY IS AS EASILY CLEANED AS A TIN PAIL. Because the receptacle which holds the cream is removable from the gearing, and as there are no rough or uneven surfaces or hard-to-clean inside.

DAZEY METAL CHURNS
ARE MORE SANITARY THAN WOODEN

The DAZEY Makes More Butter Than Any Other Churn Out of the Same Amount of Cream. This can be easily proved by putting one-half of your cream in each churn and then weighing the butter; the scales will show the facts.

The DAZEY receptacle cannot absorb a particle of butter fat or moisture and therefore will never become rancid.

There is nothing about the DAZEY to wear out. There are no complicated parts; very simple; runs light and will last for years.

WE WANT YOU TO TRY THE DAZEY CHURN

MIKE BROWN
The Square Deal Man
of Square Deal Square.

AUXILIARY OF CHAMBER OF COMMERCE PLANNED

Farmers Will Join Auxiliaries to the Maysville Chamber of Commerce in Plan.

The monthly Chamber of Commerce Bulletin was issued Tuesday afternoon. Under the heading "with the Directors" appears the following:

At the meeting on August 9th the Secretary instructed to apply for an associate membership in the Highway Industries Association of Washington, D. C. This membership was tendered by the Highway Industries Association with their compliments.

Discussion and final agreement of this campaign for 1919 memberships was a part of this meeting as was also the discussion regarding the proposed Corn and Tobacco Fair. The Directors set the date of November 21, 22 and 23 for the Corn and Tobacco Fair and management was placed in the hands of Chairman A. L. Merz, E. T. Kirk and Carl Dodds. Plans were made for the organization of the sixteen auxiliaries on October 1, 2, 3 and 4. Arrangements for the Labor Day Program were presented and the committee authorized to proceed. On the 26th of August the Referendum sent out by the National Chamber of Commerce dealing with the proposed financing of the war for another year was presented and the affirmative vote cast on all of the questions. The organization of sixteen auxiliaries was deferred until October 15, 16, 17 and 18 upon suggestion of County Agent Boyd. He felt that most farmers would be busier during the first than during the middle of the month. The Secretary was instructed to plan a post shower for the boys in service on October 1st. Directors Glascock, Kirk and Secretary Dodds were appointed a committee to manage the membership campaign.

SPECIAL PROGRAM

Prayer Meeting in the Christian Church Wednesday evening will have for its topic: "Prayer for Christian Union." Scripture, John, 17 chap. Dr. John Barbour will speak on "The Theory and Practice of Union" and Prof. Hugh S. Calkins will give his idea of Christian Union. The membership of the church might well take their friends to this service. The teachers and officers of the Bible School will meet after the prayer service.

FRENCH TAKE MANY VILLAGES IN THEIR ADVANCE

Alles Now Less Than Four Miles of St. Quentin—Yanks Advance Between Alsine and Vesle.

Paris, September 10.—In their advance against St. Quentin the French have captured Hill 103, less than four miles south of the city, according to the night official statement.

Driving along the Ham-St. Quentin road, the French have captured Rouppe, a little more than five miles from their objective. Pushing toward the Hindenburg line north of La Fere, the statement showed the French had swept across the Crozat Canal at many points and advanced two miles beyond it, seizing Claesmes, Montescourt-Lizelles, Remigny, Fort Liez and the woods northwest of Caniers farm and Ronge farm.

"We made fresh progress today north of Somme," the Paris night statement said. "We captured Etrieres and Rouppe."

These towns are west and southwest of St. Quentin.

"Beyond the Crozat Canal we captured Grand Serancourt—less than six miles southwest of St. Quentin—Claesmes, Montescourt-Lizelles, Remigny."

"We captured Hill 103, southward of Contescourt, and Hill 117, south of Essigny-Le-Grand station. North of the Oise we captured Liel and the woods northwest of Caniers farm and Ronge farm."

With the American Armies in France, September 10 — Americans have advanced in local attacks against Le Petit Montagne (tableland), fortified heights between the Alsine and the Vesle, which have impeded our troops' advance on their right flank.

Our infantry went forward in small groups, filtering in between the enemy machine gun nests, scattered thickly through the wooded ravines.

The Americans picked off German snipers and gun crews, one by one. When the last word was received the Americans were approaching the foot of the plateau and working in around the sides of the tableland.

The advance was most difficult, owing to the large number of machine gun nests and isolated snipers, who fired upon our men.

CHICAGO WINS FIFTH GAME

Chicago won this Tuesday afternoon's game in the world series from Boston by a score of 3 to 0. This gives Boston a score of 3 to Chicago 2 for the championship.

"THE SERVICE STAR"

Madge Kennedy was seen Monday night at the Washington in a very interesting picture entitled, "The Service Star". This was one of the most attractive pictures seen in Maysville recently and the large number of people attending did not complain at the small increase in price which ent into effect Monday at this popular play house and movie show.

TOBACCO SALES FOR THE MONTH

The monthly report of Nat. S. Cohen, Commissioner of Agriculture of the state, just issued shows that during the month of August a total of \$503,122.77 worth of tobacco was sold in Kentucky. 1,840,120 pounds was sold at an average of \$27.34. Of this 1,067,520 pounds was Burley, which brought an average of \$34.84.

INTEREST IN CHORUS BEING KEPT UP

The great interest in the Mason County Community Chorus first manifested when the organization was suggested, is being kept up, and at the rehearsals it is understood there are many singers in attendance. This organization promises to grow into one of the best musical organizations in this section of the state.

MORE RECLASSIFICATIONS ARE EXPECTED

It is expected that there will be several more married men re-classified by the District Exemption Board within the next few weeks. The board is said to be coming out the men pretty thoroughly and it is expected that a number of other Mason county men will be called upon to enter the ranks.

Judge J. D. Wyatt and family have moved to Manchester, Ohio, to make that place their future home. Judge Wyatt has become editor of the Manchester Signal.

In the Mason County Court Tuesday Mary G. Brillon was appointed guardian of Ambrosia Beckett and qualified as such with W. R. Humphrey as surety on bond.

MANY REGISTER WITH LOCAL BOARD AT HEADQUARTERS

Men Who Will Not Be in the City on Next Thursday For the Military Registration Are Now Listing Themselves With the Board Here.

Provisions have been made in the registration orders that all men who will not be home on next Thursday, September 12, regular army registration day may register with their local board at any time prior to the registration day and under this ruling many Maysvillers and Mason county men have taken advantage of the opportunity to list themselves and secure their registration card during the past few days.

Already the local board has registered a large number of men having listed a total of fifteen on Monday of this week.

All arrangements are complete for the big registration and on Wednesday morning there will be a meeting in the office of the Mason county board in the Government building where the registrars will receive their full instruction and will be supplied with their equipment for the listing of the large army of men.

An estimate has been put on the number of men who will register this week in Mason county, which puts the figure very high but those who have kept in touch with the matter and who have made some investigation say that the figures are not too high. The members of the local board are expecting an average of 100 men in each precinct to register which would give to Mason county a total enlistment of 2200 men—a small army in itself.

There has been no further change in the registrars or the plans for the registration. The registration in the city of Maysville will be held in the following places:

First Ward—Gable's Coal office.
Second Ward—Slattery & Rees office.

Third Ward—Russell's warehouse.
Fourth Ward—O'Neal Coal office.
Fifth Ward—Bryant & Co.'s office.
Sixth Ward—Dryden's Coal office.

The registrars who were listed in a previous issue of the Ledger will serve and everything will move off smoothly so far as is known now.

The hours of registration will be from 7 a. m. to 9 p. m. and at the close of this registration every man in Mason county between the ages of 18 and 46 will be expected to have on his person a government registration card and the officers will see that every man within the age limits carries his card.

Should there be any slackers in Mason county, which is not expected, the officers will make a careful round-up and those arrested as slackers will be severely dealt with by the government under the draft act.

DR. DICKEY IS COMING BACK

The many friends of Dr. J. J. Dickey, pastor of the Second M. E. Church, South, and there are many of them, will be glad to know that the report Monday that he would not return to Maysville was a mistake. It is now learned that Dr. Dickey will return to Maysville for another year and his many friends in all denominations will extend him a hearty welcome back to our city.

The representative of one of the largest carnival companies on the road is in the city today trying to make arrangements to bring his company here for a street fair in the near future.

LEWIS COUNTY FRAUD CASE HAS BEEN STARTED

Ed Rand, Prominent Young Lewis County Contractor and Engineer Goes on Trial For Defrauding Lewis County in Big Contract.

The trial of Ed Rand, of Vanceburg, prominent young contractor and engineer, on a charge of fraud brought here from Lewis county on a change of venue, began in the Mason Circuit Court Tuesday morning. The witnesses in the case were late getting here and it was some time before a jury was finally selected.

Shortly after noon Commonwealth's Attorney B. S. Grannis read the indictment to the jury, which is one of the longest indictments ever returned in Mason county, and then the hearing of witnesses was begun following a statement of the case.

It is expected that the hearing of the case will occupy the attention of the court for the balance of this week at least. The last trial of the case here, which resulted in a hung jury, took up a full week of the court's time. Some eighteen or twenty witnesses will be introduced.

The prosecution is represented by Commonwealth's Attorney B. S. Grannis, County Attorney W. H. Rees and Lewis County's County Attorney, John P. Strother. The defendant is represented by Hon. A. D. Cole, Judge Sam J. Pugh and Mr. R. D. Wilson.

This case has attracted more attention from all over the state than any case that has come for trial in the Mason Circuit Court for a long time and it brings to Maysville a large number of the present and past county officials of Lewis county. Both the clerk of the County Court and the clerk of the Circuit Court arrived here Tuesday morning having in their charge several of the records of Lewis county.

In his statement to the jury, Mr. Grannis stated that the defendant had changed a contract between Fleming Jones and Lewis county's Fiscal Court for the construction of the Concord Hill road in which contract, the defendant, Ed Rand, was a sub-contractor.

Many of the former magistrates of Lewis county will be witnesses for the prosecution in the case.

Mr. and Mrs. Thomas Stevens of Moransburg, are in receipt of a card from their son, Robert, stating his safe arrival over there.

We have the most complete line of
WRITING PAPER
at prices that will suit your taste and at prices to suit your pocket-book.
M. F. Williams Drug Company
THIRD STREET DRUG STORE

REVIVAL AT BULL CREEK
A revival opens at the Bull Creek Methodist Church Tuesday evening and will continue for the balance of the week. The pastor, Rev. J. F. Ruggles, will do the preaching and the public in general is invited to attend all of the services.

FOR SALE
40 acres of land near this city, has two good houses and other necessary out-buildings. Apply to
REESE WALLINGFORD,
sep1-lm Maysville, Ky.

ROY COCHRAN ASSIGNED TO LONDON
Word has been received here that Mr. Roy Cochran, local man engaged in Y. M. C. A. has been assigned to work in London and has sailed from an Atlantic port for the world's largest city to assume his new duties. Mr. Cochran was enlisted as an Assistant but Secretary but his assignment for the present, at least, has been changed.

Rev. J. D. Redd, Presiding Elder of the Maysville District will be in town the last of the week to hold a District Stewards meeting Saturday morning at the First M. E. Church, South. This is to be a business session for the work of the district. On Sunday he will preach at the Second Church, in the East End.

What About
Converting your 3 1/2 and 4 per cent. Government Bonds into 4 1-4 per cent. Bonds. You can do so if you so desire, and if you wish to do so we will be glad to attend to the matter for you.
Without Charge or Cost of Any Kind
All you have to do is just leave your Bonds and instructions with us.
Conversion may be made any time before November 9, 1918; but we would advise that you act at once, if it is your intention to make the conversion as the Government now has lots to do and you will help things along by giving it all the time possible.
First-Standard Bank & Trust Co.

THE HOME OF QUALITY CLOTHES
Everything for Complete Outfitting for Men
Present conditions in the clothing industry makes this season's showing of Hechinger's clothes particularly noteworthy. It emphasizes the skilled merchandising ability of this organization for although there's a genuine scarcity of the finer qualities our stocks were never so complete. You couldn't wish for a more complete assortment of men's good clothes from which to choose.
They're bought right, and priced right.
New hats—in stiff and soft shapes. Good hats to accompany good clothes.
New shoes: Hanan, Nettleton and Walk-Over.
This store closes at 6:00 P. M. except Saturday.

OUR POLICY

To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise to earnestly and consistently oppose all things that are not for the good of the County as a whole.

REPUBLICAN TICKET

For United States Senator
BEN L. BRUNER, Louisville.
For Congressman
TRUMBO SNEDEGAR, Bath County.

Mr. McAdoo is reported to be seeking the aid of the churches in boosting the Fourth Liberty Loan. This is commendable. In the last Liberty Loan the country was regaled by speech of two well-known movie stars, who traveled together and spoke for liberty. Each one of them reported to be involved in a suit for divorce in which each was named co-respondent of the other in the proceedings. Had they been raising funds for license instead of for liberty the public would have considered it more appropriate. It was not a very dignified proceeding. This is a holy war, not a chorus of Aristophanes, and no better agency could be selected to help raise the funds for carrying it on than the churches, which are shouting the battle cry of freedom. Nor is it likely that our pastors will mix Democratic politics with their exhortations, as was reported to have been done by some of the Democratic four-minute-men in preceding loans, and which we may expect to witness again from the stump in view of the fact that the loan campaign was set right in the middle of the Congressional campaign. The people should listen attentively to their pastors, and if any hireling of a political party gives preference to party politics and slights the plea to buy bonds, kick him off the stump, vote as your conscience dictates, and buy bonds without being wheedled.

IN SPITE OF WAR AND HIGH WATER

If you want to sell a second-hand automobile, or rent a house, you would put an advertisement in the paper and run it a few times or until you sold the machine or rented the house, and then you would quit.

If you were manufacturing goods or running a store, you would maintain your advertising continuously, because you would not be aiming to make one sale, but many—as many as you could. All right. Now comes along a war and upsets your supply of raw material, or made-up goods, or maybe the government takes over your output or curtails it, thereby either completely or partially eliminating your civilian trade. Would it be worth while to continue your advertising? That is the question that many of our big industries are facing. What are they doing? With hardly an exception they are continuing. Not with a view of influencing immediate sales. Not at all. But, realizing that present conditions are going to melt back into history at no very distant date they are keeping alive their names and reputations. If they discontinued, think of the millions of dollars of goodwill value back of all those trade marks and names that would be lost, or greatly reduced. Preservation is nature's first law. Preservation of prestige is likewise the first law of business.

Among the larger industries to maintain, and in fact increase, their

advertising this fall, the Wm. Wrigley Jr. Company is noted, as evidenced by the "copy" now running on a frequent schedule in the Ledger. Welcome, Mr. Wrigley, and we hope our local merchants will be heartened by your energy.

Also, Mr. Wrigley, may we commend your attitude of injecting a strong patriotic note in your advertising. Instead of the usual sales talk about "Wrigley's" being great for appetite and digestion? We understand the soldiers and sailors are taking most of your output and that we at home will have to chew our Wrigley's a little longer. All right. "The favor lasts," anyway, and we won't have to go completely without. Judging from the stocks of your goods our merchants are apparently able to maintain in spite of war and high water.

We agree with Gen. Sherman in his definition of war, and we also agree with Mr. Wrigley in his statement that we must win this war and that until we do nothing else really matters.

In this connection, may we be permitted to remark that newspaper space is receiving earnest attention in these days of momentous news, and that the columns of the Ledger now, just as valuable as they ever were, if not more so, in stimulating good will and in maintaining the prestige of the goods, the trade marks and the names set forth there.

Salut!

CONDITION OF CROPS IN STATE OF KENTUCKY

Many Crops Damaged by the Drought Says State Crop Report Just Issued.

State Commissioner of Agriculture Mat S. Cohen has issued the following state crop report for Kentucky of condition of September 1st:

The crop season for 1918 is rapidly drawing to a close. It is too early to give final estimates on actual yields and only a summary of conditions is given this month. The largest money crops of the State, corn and tobacco, are damaged by the drought and this extreme drought has prevailed over practically the entire State. It was broken the latter part of August, since which time, conditions are greatly improved and the final estimate on yields, on late crops may tell a different tale, then the low estimates given herein would indicate.

The general condition of corn is reported at 76 per cent. as a State average. The first estimates on the yield of corn is given at 21 bushels per acre as compared with 30 bushels, State average last year.

The condition of barley tobacco is given at 71 per cent. and dark tobacco at 75. Much of the early tobacco is cut, owing to the extremely hot weather, but the rains are bringing out late tobacco to advantage. Hemp acreage is small and condition is given at 73 per cent. Condition of cow peas and soy beans, is given in both instances at 82 per cent. Rains have brought these crops out. Gardens are given at 65 per cent., Irish potatoes at 68 per cent. and sweet potatoes at 79 per cent. Pasture have been greatly in need of rains and the condition shows at 65 per cent., but are considerably revived since the drought has been broken. Alfalfa condition is given at 80 per cent. and while the third cutting was abundant, in some localities the State average is given at 1.3 tons per acre. It is estimated that the number of live stock on hand as compared with last year is as follows:

Horses, 92 per cent., condition 91 per cent.
Cattle, 88 per cent., condition 90 per cent.
Hogs, 91 per cent., condition 92 per cent.
Sheep, 93 per cent., condition 94 per cent.

Much interest is shown in poultry in many localities and a consequent increase in the numbers on hand as compared with last year, while in other localities this has fallen off. Condition of poultry is placed at 94 per cent.

Melons and fruits of all kinds are especially short this year. Condition of same being as follows:
Apples, 54 per cent.
Grapes, 62 per cent.
Melons, 65 per cent.

With the scarcity of stock water relieved by the recent rains and the condition of all late crops benefitted materially, the prospect is not so gloomy for the result of the farmer's year work, as it was a week ago. Great interest is being manifested in the increased acreage of wheat for production as far as it is possible for him to do.

MAT S. COHEN,
Commissioner of Agriculture.

COLORED NEWS

On account of not having light fast meeting Liberty Court No. 65 will have a call meeting Wednesday evening at 7:30. All members are urged to be present. Business of importance.

M. J. PATTON, W. C. T. Lewis, R. of C.

LETTERS TO THE EDITOR

A friend of has received the following letter from George Mills, now in Italy:

Somewhere in Italy, August 6, 1918.

Dear Friend:

Just a few lines of remembrance from one of Uncle Sam's boys who at the present time is somewhere in Sunny Italy, and it certainly is real warm here. This leaves me feeling fine, enjoying good health and drilling every day. Of late I have passed through four countries and have seen some real interesting scenery, but the good old U. S. is good enough for me, and we will be glad when we can return. But we will not be back until it's over here. Have never got to see my Big Brother Ludwell yet, of course, may run into him sometime on the battlefield, and I would like to see him real well. You may ask me how I like this life, well we never give that I thought as we know why we are here, and we are going to do our duty whether we like it or not, and I think all the boys will agree with me there. Of course we do not hear from home (or our sweethearts very often) but we get several letters when they do arrive. Give my regards to the boys at the Ledger office and let me hear how you are some time. So I will close and trusting this will find you in good health.

Good-bye, as ever,
PRIVATE GEO. R. MILLS,
Company A 332nd Infantry
Zone D1. Guecy
American Expeditionary Forces, Italy.

Ad Lewis is in receipt of the following letter from his son, Edward Lewis now in France:

August 9, 1918.

Dear Father:

Just a few lines to let you know that I am well and hope you are the same. I received your papers last Sunday. I was in town when they came. I had some pictures made while I was there. If they are good I will send you one. It is very hard to get some real good pictures made over here where we are. This is a very small place and the closest town is about six miles. Father I believe I have done more walking since we came over here than have ever done in my life. At first it went hard but now I have gotten used to it. Father I wish you could see over here. It seems like the whole United States has moved over. I started once to send some money home but I am afraid to take the chance to send it. I can save it over here just as I did when I was there. All our money is French, some of the paper money looks like the coupon used to be in cigarettes. It soon wears out. How are my clothes keeping. You will be sure and take good care of them. I don't think it will be long before I will be wearing them again. I have

Leg Sore

A huge sore—very deep—full of foul discharge. Agony all day; no rest at night. Then—just a few drops of the gentle, cooling liquid, D. D. D. Irritation and pain gone. Sweet, refreshing sleep at night. In due time, complete cure. We guarantee D. D. D.

D. D. D. The Liquid Wash

J. J. Wood & Son, Druggists, Maysville, Ky.

got plenty of Uncle's clothes, two good suits, two pair of shoes, five suits of underwear, a very nice overcoat, also a raincoat. Now you can see we all are well taken care of. Just think Father I haven't been sick a day since I came over here. My foot is getting along fine so don't worry yourself about that. I am trying to take the best care of myself while I am over here. Because the climate is different from ours. Some day it is awful cool, and again is very hot. Today is not so hot. How is Mrs. Lewis? Tell her I would like to have some of her good lemon pie and other good things she used to make. Well it is time for me to go to work. I got all the papers and you can send me some more if you want to. How is rough-neck getting along. Kiss Mrs. Lucy for me. Hoping to hear from you both soon.

Your son,
PRIVATE EDWARD LEWIS,
518 Engrs. Btl.
A. E. F. via New York.

Quite a number of Maysville and Mason county people will attend the state fair at Louisville this week.

"A SPLENDID

Says Hisson Lady Who, On Doctor's Advice, Took Cardui And Is Now Well.

Mixon, Tenn.—"About 10 years ago I was..." says Mrs. J. B. Gadd, of this place. "I suffered with a pain in my left side, could not sleep at night with this pain, always in the left side..."

My doctor told me to use Cardui. I took one bottle, which helped me and after my baby came, I was stronger and better, but the pain was still there.

I at first let it go, but began to get weak and in a run-down condition, so I decided to try some more Cardui, which I did.

This last Cardui which I took made me much better, in fact, cured me. It has been a number of years, still I have no return of this trouble.

I feel it was Cardui that cured me, and I recommend it as a splendid female tonic."

Don't allow yourself to become weak and run-down from womanly troubles. Take Cardui. It should surely help you, as it has so many thousands of other women in the past 40 years. Headache, backache, sideache, nervousness, sleeplessness, tired-out feeling, are all signs of womanly trouble. Other women get relief by taking Cardui. Why not you? All druggists.

NO-122

Nothing Doing

So long as we are busy with our own work (filling our own prescriptions) we do not want the other man's prescription. If he knows so much about glasses, why don't he make 'em?

Don't worry SIMPSON about making the glasses. If the other fellow prescribes glasses let him make 'em.

SIMPSON IS BEST.

MILK!

"Whole milk is the perfect ration—the natural food. It is not merely a drink—it is a food. You eat milk. It nourishes the body, rebuilds and repairs the worn tissues. Most people eat too much. They overload their stomachs. Dairy products are easily assimilated. They give you a higher rate of good value, without taxing the stomach. The family whose meals are largely composed of dairy products are seldom troubled with digestive disorders."

"The food value of a quart of milk is the equivalent of three-fourths of a pound of beef, two pounds of chicken, or eight eggs. Compare cost—milk vs. meat.—Dr. E. V. McCollum, Johns Hopkins University, Baltimore, Md. Pure Pasturized Whole Milk delivered daily by

Griffith's Big Triumph To Be Brought Here

"Hearts of the World" Will Be Big Feature at the Washington Theater Next Week—Comes With Own 20 Piece Orchestra.

"Hearts of the World," the supreme triumph of D. W. Griffith, to be presented at the Washington Theater next Monday, September 16th, and twice daily during the remainder of the engagement, inaugurates a new era in the realm of screen drama. In New York, Boston and Chicago this new Griffith masterpiece has created a positive sensation, even eclipsing the master producer's two productions, "The Birth of a Nation" and "Intolerance."

In this, his latest achievement, Mr. Griffith did not attempt to create and stage gigantic battle scenes and pageantry but actually used the present, the greatest of all wars as a background for the filming of a simple but compelling story of tremendous human interest, a story of love and sacrifice.

"Hearts of the World" shows the happy, peaceful life of the people of a small French village before the grim horror war reared its ugly head over the horizon. The causes that led up to the war are shown; the meeting of the British Parliament on the eventful night when vote was cast for war; the session of the French Senate voting upon a declaration of war; the session of the cabinet awaiting the fatal hour when the ultimatum to Germany would expire. These scenes come as a prelude; then the great drama begins, the German hordes enter France.

In taking the battle pictures for "Hearts of the World," Mr. Griffith had the assistance and co-operation of the British and French War Offices and both he and his company of players which include Lillian and Dorothy Gish, Robert Harron, George W. Fox, and Master Ben Alexander, were constantly within range of the German guns and were often compelled to seek safety in British trenches on

Save Labor By Seed-Corn Selection

The Larger the Crop on a Given Area as the Result of Good Seed the Less Man Power Is Required to Produce a Bushel.

Washington, D. C., September 10—Saving seed corn saves labor. This is one of the main reasons for careful seed-corn selection, says the United States Department of Agriculture, which points out that just as much labor is often employed in producing bunnies as would be required to grow full ears. The more bushels of corn to the acre, as the result of good seed, the less the labor required to grow each bushel.

To save labor during the preparation of the ground, and the planting, cultivation, and harvesting of the crop in relation to the quantity of corn grown, the wise farmer will now devote special attention to selecting a two years' seed supply. He will not make seed gathering a merely incidental operation, connected with harvesting or shucking, but will devote his whole attention to the selection of the best ears as they grow in the field, under the conditions the crop has to contend with. By thus using his time this fall he will save the labor of many men next season.

In other words, says the department, the stalk of corn that produced well under ordinary field conditions, in competition with other stalks, is likely to transmit high yielding ability to its seed. Where field seed selection results in doubling the acre yield, the result is practically equivalent to cutting down by one-half the labor required to produce the crop.

Officer Dudley Bloomhoff is now on his annual ten days' vacation. He is the last member of the police force to take his vacation.

The Flavor Lasts

SKILLED FARM LABOR TO BE DEFERRED

Washington, D. C., September 10—A plan has been agreed upon by the War Labor Policies Board, Provost Marshal General, Secretary of War, Secretary of Agriculture, and Secretary of Labor to put into effect deferred classification of such persons in the new draft as are necessary in agriculture, industry and other occupations. Three advisers are to be associated with each district draft board to present facts relative to the supply of necessary workers in these three occupational groups. The Agriculture advisers will be nominated by the Secretary of Agriculture. They will gather accurate facts regarding the requirements of agriculture for the various classes of workers in their own districts. They should have facts also as to the requirements for such classes in other districts in order that workers not sufficiently necessary in one district to entitle them to deferred classification may have opportunity to go to other districts in which they are needed.

OUR BRIDGE OF SHIPS—AN OFFICIAL U. S. WAR FILM

The General Film Co. was appointed by a committee on public information to distribute "Our Bridge of Ships" a picture in two reels covering every angle of shipbuilding. This production tells in a big way just what Uncle Sam has accomplished and shows more in one reel than could possibly be learned in pages of reading matter. Go to the Pastime today and see how America has answered General Pershing's message for a Bridge of Ships. One of the famous O. Henry stories and a Shipley Slim comedy will also be shown.

Admission, adults 13c, war tax 2c; children 9c, war tax 1c.

Hon. George B. Martin, of Catlettburg, who has been selected by Governor Stanley to serve out the unexpired term of the late Senator Ollie M. James, has many friends in Maysville and Mason county. Senator Martin is one of the most learned lawyers in the state.

ENLIST AS A RECRUITER

Not all of the recruiting for Uncle Sam right now is in the hands of the army and the navy. A big lot of very important and effective work will shortly be in the hands of the civilians. Work that will emphatically supplement the armed effort.

For the Fourth Liberty Loan is rapidly approaching. Most of us expect to buy bonds. Some of us inevitably must enter the ranks. Many will do neither, unless personal influence is brought to bear. But for all of us the duty is equal, there is no immunity.

And for those of us who have bonds, and expect to do so again, full duty will not end with the act of purchase.

We must enlist as recruiters for the bonds. For more than half of the army and navy expense the coming year must be met from the bond sales. And it is imperative necessary to the best accomplishments of both branches of our fighting force, that they be always adequately equipped.

And unless our army, our navy, and those of our allies are always kept at the top notch of fighting efficiency, able to strike most effectively on the shortest possible notice and prepared to follow up every advantage with the least possible loss of time and force, this war will be drawn out interminably with corresponding loss of life and increase of expense.

All of us want to see the war end speedily. All of us want allied victory.

So arrange your affairs to give Uncle Sam your time as well as your money.

Enlist as a recruiter.

Rich granules of sweet, nut-like flavor Grape-Nuts Delicious Economical

Members of the American Red Cross Commission for the prevention of tuberculosis in France, who have also been adding the French authorities to solve the infant mortality problem, are to take a prominent part in the observance of "Children's Month" in October.

Losing clothing and even shoes, captured American Army and Navy Officers are often reaching German prison camps in such a condition that the American Red Cross has been obliged to establish a tailor shop in Berno to supply them with proper uniforms.

A donation by the Red Cross enabled about 1,000 wounded "potties," now convalescing in a hospital in France, to partake of a course dinner. The gratitude of the brave fellows was expressed in the red, white and blue illustrations on the menu card.

HIDDEN DANGERS

Nature Gives Timely Warnings That No Maysville Citizen Can Afford to Ignore.

DANGER SIGNAL NO. 1 comes from the kidney secretions. They will warn you when the kidneys are weak. Weak kidneys excrete a clear, amber fluid. Weak kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

DANGER SIGNAL NO. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, suggest weak kidneys and warn you of the danger of dropsy, gravel and Bright's disease. In that case Doan's Kidney Pills have been endorsed by thousands. Here is a statement of a nearby resident:

Mr. Newton, Gum, St. Aberdeen, Ohio, says: "I have used Doan's Kidney Pills off and on for several years and have been greatly benefited. Whenever my back has been weak or when my kidneys have been too frequent in action, I have used a box or so of Doan's Kidney Pills, which I get at Wood & Son's Drug Store. They have always relieved me in a short time."

The above is not an isolated case. Mr. Newton is only one of many in this vicinity who have gratefully endorsed Doan's. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Newton had. 60c all stores. TELEPHONE INSTALLATION AND MOVE CHARGE

The Postmaster General directs that beginning September 1st, 1918, all Telephone Companies collect a "readiness-to-serve" or installation charge for all new installations and also charge for all changes in location of telephone.

In accordance with these instructions we will collect in addition to the regular charge heretofore an amount of \$5.00, \$10.00 or \$15.00, the amount depending upon the rate per month of the class of service contracted for.

The move charge to the subscriber will be the actual cost of labor and material necessary for making the change.

An amount sufficient to cover the cost of moves or changes must be deposited with us when you give your order, as these charges must be paid in advance.

Two Fleming County Farms For Sale

Mr. George W. Foxworthy has listed with us two very desirable farms. Farm No. 1—The home farm, where Mr. Foxworthy now resides 5 miles East of Flemingsburg, contains 116 acres, and has on it a good residence, large stock barn, tobacco barn, two silos and the usual outbuildings found on a well-improved farm; also an abundance of fruit of different varieties. About 80 acres of this farm is in and the land is all in high state of cultivation.

Farm No. 2—Contains 92½ acres; adjoins the town of Mt. Carmel; has on it a new tobacco barn; and this farm is also in good state of cultivation. While there is no house on this land, there is a nice home close to the farm that can be bought very reasonable.

For particulars as to price, etc., see the undersigned or Mr. Foxworthy.

LOCAL CHURCH WANTS WILLIAMSBURG PASTOR

Rev. W. S. Peters, of Williamsburg, Ky., will probably be sent to Maysville as pastor of Third Street M. E. Church.

It became known yesterday that the membership and officers of the Third Street M. E. Church will ask the Bishop to send Rev. W. S. Peters, of Williamsburg, Ky., to Maysville as their pastor, when the state conference meets on Wednesday, September 25th at Harlan, Ky.

Rev. Peters first became known to the members of the local church at the last meeting on the Ruggles campgrounds. He was one of the preachers to be heard there and all members of the local church were greatly impressed with him.

Mr. Peters is a young man in the thirties and is a graduate of Taylor University. He is a hustler and has accomplished a great work since he has been in the ministry.

It is understood that everything indicates that the Williamsburg man will be the new pastor here coming the Sunday following the state conference meeting.

THE COUNCIL OF NATIONAL DEFENSE SAYS:

(This space donated to the Mason County Council of Defense.)

REGISTER

All males who have attained 18 years of age and those not having reached their 45th year (unless having registered heretofore) must register under the Selective Service Act, on Thursday, September 12th, 1918, between the hours of 7 a. m. and 9 p. m. at places designated by Local Board for County of Mason. Those contemplating absence from county on September 12th, should make arrangements to register with Board before leaving.

Howell M. Richardson left Tuesday for Delaware, Ohio, where he will resume his studies at Ohio Wesleyan University. He will become a member of the Students Army Training Corps at this University.

COUNTY MERCHANTS FAIL TO OBSERVE FOOD RULINGS

Several County Merchants Have Been Brought on the Carpet For Failing to Carefully Handle Farm Produce.

It is understood that several of the country merchants in Mason county who deal rather extensively in eggs and poultry have been disregarding the orders and rulings of the Food Administration and the county deputy Food Administrator for Eggs and Poultry has been required to call several of those dealers up on the carpet for failing to strictly observe the rules of the administration.

Mr. Glenn Gault, who has been appointed special deputy county Food Administrator for Eggs and Poultry, said yesterday that unless the dealers who in the past have been failing to observe the rules obey the orders of the Food Administration, some of them may find themselves in serious trouble as merchants elsewhere have found themselves when they absolutely refused to obey all orders of the Administration.

It is understood that the order in regard to the careful candling of all eggs has been disregarded by some, who have purchased eggs from the farm wife without carefully going over all of her eggs and furnishing her with a certificate of candling.

Others have purchased fowls from farmers who, before selling the chickens, have "stuffed" them with soft bread or meal while the Food Administration strictly orders that no fowls shall be so sold or "stuffed" before sale.

The Food Administration is very strict in all of its rules affecting the sale and handling of eggs and poultry and all dealers should be very careful to conform to all of the rules. These rules or orders are not many and complicated but are few and simple and there is no excuse for any merchant dealing in eggs or poultry not knowing the rules and strictly observing them to the letter.

Up to the present no dealer who has failed to observe these orders has been reported to the Food Administration for action but the time has come when all should know the orders and in the future it is more than likely that all disregard for the rules will be reported and will receive the attention of the officials.

COUNTY AGENT AT THE STATE FAIR

County Agent E. F. Boyd is at Louisville attending the Kentucky State Fair as the official representative of Mason county. Mr. Boyd will be in charge of quite a number of entries from this county. It is said that there will have to be some mighty fine tobacco at the state fair this year to take the premium from the Mason county weed displayed there.

YOUNG PEOPLE'S UNION TO BE ORGANIZED

A Baptist Young Peoples' Union will be organized at the First Baptist Church on next Sunday evening. For several years the B. Y. P. U. at this church was one of the strongest in the state but since the church has had no pastor for several months, the organization died down and it is expected to revive it on next Sunday. All of the young people of the church are urged to attend the re-organization which will be held at 6:30 o'clock.

DRESEL CASE IS SETTLED

The case against Walter Dresel, who was charged with bastardy, has been discontinued in the Mason Circuit Court, a settlement having been reached by the parties out of court.

MEETING OF WORKERS IN LOUISVILLE FRIDAY

Local People Will Attend Big Y. M. C. A. Meeting at Louisville Friday at Which Campaign Will Be Planned.

One of the most interesting and important meetings to be held in this state will be that held in Louisville on next Friday when Y. M. C. A. workers from all over the state will gather to hear messages from men who have had actual overseas experience with the Y. M. C. A. and national officers of the organization who are in touch with the great work being done.

It is expected that several local people who have been interested in the work of the organization will be in attendance. Mr. R. A. Cochran, district chairman, will lead the local delegation.

No war work has more direct appeal to Maysville and Mason county people than the Y. M. C. A. A large number of our own men have entered the work and are now engaged in helping to make the load of the Yanks lighter in their camps in this country and abroad. Because of the number of Maysville men in the service and because the local soldiers write in such glowing terms of the work of the organization, it is expected that the campaign soon to open in this state will receive very liberal support from Maysville and Mason county.

Full plans for the next big financial drive will be made at the meeting in Louisville Friday.

DR. LOCKE RETURNS FROM CONVENTION

Dr. J. S. Locke, Mason County Health Officer, who has been in Louisville for the past week attending the annual meeting of the Kentucky Medical Association, of which he is president, returned to Maysville Tuesday to resume his work here. Dr. Locke returns to Maysville and Mason county full of enthusiasm having told the physicians of the state all about what Mason county has done in improving health conditions and having received the hearty approval and applause of the medical men.

COUNTY ASSIGNMENTS

In most cases all of the ministers in the Southern Methodist Church have been returned to their churches in this county. Rev. Hall has again been assigned to Hefema. Rev. Ecker has been transferred from Germantown to Mt. Carmel and Rev. C. W. Williams from Mt. Carmel to Germantown. Rev. Morrison Williams has been returned to Shannon and Sardis for another year.

ALLIES' OFFICIAL WAR REVIEW

The Washington will Wednesday offer their patrons the big Allies' Official War Review in connection with their regular program. Among other things in this week's review will be: The Hero of the Marne, Britain's Fight for Democracy in Palestine, Hun Air Raids in Italy, Unfurling the Flag of Freedom, American Shell Hole Outpost and Honoring Old Glory. It will be one of the best war reviews shown here since the war began.

MARRIED TEACHER IS ON THE JOIL

Mrs. Walter I. Nauman, the first teacher with a living husband to be assigned in the Maysville Public Schools, arrived Monday evening and began her work in the Maysville High School Tuesday morning. It is expected that many married teachers will be employed during the period of the war.

PRISON WORKER TALKS TO SCHOOL CHILDREN

"Mother" Lehman, who for years has been a worker in the prisons and penal institutions of the country, is spending a few days in Maysville and has spoken at most of the city schools. Her talks greatly interest the students and will probably be worth much to them.

CHAIRMEN TO PLAN FOR STYLE SHOW

A meeting of the chairman of the various divisions of local business men will be held at the Chamber of Commerce Wednesday evening at 8 o'clock when plans for the big style show to be held the week of September 23 will be discussed.

SELLS NICE FARM

Sherman Arm, local real estate dealer, has sold the Thomas R. Welsh farm of 59 acres located between Washington and Murphysville to Mr. Harry Lowe. Consideration private, possession October 15th.

Mr. H. M. Clark, Secretary and Treasurer of the E. L. Manchester Produce Company, is in Pittsburg on business.

Mr. Roy Clendenen, of Paris, prominent insurance man, is in Maysville on business.

Try a pound of T-G. Butter.

LOCAL PASTOR IS HIGHLY COMPLIMENTED

Rev. W. B. Campbell, One of Two Pastors in the State to Be Sent Back to Church After Having Served Usual Time.

Rev. W. B. Campbell, pastor of the First M. E. Church, South, who is one of the most popular pastors in the city of Maysville, was highly honored at the Kentucky State Conference of the Southern Methodist Church, which closed Monday at Cincinnati when he had already served out his usual four years as pastor of the local church.

Some time ago the General Conference of the Southern Church changed the old ruling that pastors could remain no longer than four years in a field and so far as is known this is the first time this has been done in the Southern Methodist church.

The demand for Mr. Campbell's return to Maysville came not alone from his own congregation but from members of all denominations who had come to appreciate the worth of Mr. Campbell and his good wife in our community and all are glad to know that they will remain here for another year.

The other minister in the state returned to his church after serving out the usual four year term was Rev. J. M. Fuqua, of Fort Thomas, Ky.

MILLERSBURG SUFFERS BIG FIRE LOSS

A fire destroyed half a block in the town of Millersburg Monday afternoon entailing a property loss of more than \$40,000. The fire originated in the apartment of Mrs. Susan Sandusky when an oil stove exploded. Mrs. Susan Rigdon, formerly a resident of Germantown and well known in Maysville and Mason county, suffered very heavy loss when her restaurant was completely destroyed by the angry flames. Fire departments from Carlisle and Paris came to the assistance of the Millersburg department.

CONSIDERABLE WORK BEING DONE AT THE DAM

It is understood that during the past several weeks there has been much accomplished in the government dam. The contractors have been able to get quite a number of workmen together and the dam on the Ohio side of the river is now beginning to show up considerably. Had the contractors been able to get the force of men they had contemplated working this season and last, the dam would have been practically completed by this time.

HALF THE COUNTY SCHOOLS NOT OPEN

It was learned yesterday that fully half the county schools in Mason county have not as yet opened for the present season. The schools which have not yet opened will be opened on Monday, September 30 and the opening was postponed a month because of the request of the farmers that their sons be allowed to remain at home and work in helping to house the tobacco crop this month.

UNCLE BOB TO BE BROUGHT OUT

The big fighting machine Uncle Bob which has been undergoing a complete overhauling, will be brought out by Chief Newell and his men Thursday afternoon and the Fire Committee of City Council and the local scribes will be given a ride about the city so that all may see the machine which comes out of the shop practically new.

MANUFACTURE OF FORD CARS ENDS

Detroit, September 10.—Production of motor cars by the Ford Motor company has been suspended entirely. It was officially announced at the plant here today. The move will enable the company to devote its entire facilities to Government work the announcement said.

PRAYER MEETING

Mr. J. B. Wood will be the leader of the prayer meeting services at the Third Street M. E. Church Thursday evening. Every one cordially invited. The prayer meeting committee is securing splendid leaders for these meetings and they are growing in interest and attendance.

ANOTHER LOCAL MAN LEAVES FOR OVERSEAS WEDNESDAY

Mr. E. E. Clark, Selected as a Y. M. C. A. Secretary, Will Leave Here Wednesday Evening For New York and Expects to Sail Soon.

Mr. E. E. Clark, local typewriter expert, who several weeks ago was accepted in the overseas Y. M. C. A. work, will leave Maysville Wednesday evening for the east. Mr. Clark will stop off for a few days with his parents at Pittsburg and will go from there to New York City. He will attend special lectures at Princeton for seven days and will then sail for Europe.

So far as is known now, Mr. Clark will be assigned to hut work in France near the front line trenches. He is the fourth Maysville man to enter Y. M. C. A. work and the second to be accepted for overseas duty.

When in Maysville Mr. Clark made many friends who will wish him well in his new work. While here he took much interest in religious activities and is well qualified for the work to which he has been assigned. His many friends wish him much success and he carries with him the good will of many friends made in our midst.

OHIO BOYS ASKED TO SELL WAR SAVINGS STAMPS

Men in Deferred Classification This Week Will Sell Thousands of Dollars Worth of War Savings Stamps.

A great War Savings Stamps drive is on in the state of Ohio this week and it is expected that before the week closes thousands of dollars worth of stamps will be sold to residents of that state.

Several weeks ago all of the men in deferred classes in the Southern part of Brown county, near Aberdeen, were summoned to Georgetown before the local board for Brown county. They were asked because of their being placed in deferred classification to sell at least \$200 worth of War Savings Stamps each and they have begun their work this week.

There are quite a few men in and near Aberdeen in deferred classes and many of them work in Maysville. They will make a great effort this week to sell their War Savings Stamps and it is expected that the people on this side of the river will help out their neighbor friends in reaching the figure set for them by their local board and the War Savings Stamp committee for that county.

AGED NEGRO TO BE TRIED FOR INSANITY

Aunt Harriet Gilmore, well known old colored woman, is now in the county jail awaiting trial for insanity. The old woman has been in the hospital ward of the jail for several days where she is being well cared for. It was at first thought that under proper treatment and with the proper food she might get better but it appears that she will have to go to an asylum for treatment.

RED CROSS WORK WEDNESDAY AND THURSDAY

The Maysville and Mason County Red Cross workers are requested to meet at Red Cross headquarters for work Wednesday and Thursday. The headquarters will be open all day and all are urged to come as work of importance is to be done.

C. OF C. DIRECTORS MEET

There will be a very important meeting of the Board of Directors of the Chamber of Commerce held Tuesday evening when plans for the big membership campaign will be discussed.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the blood on the mucous surfaces of the system. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials. F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Hall's Family Pills for constipation.
